

UNITED WAY

Washington & Greene Counties

United Way of Washington & Greene Counties brings together partners, donors, volunteers, and community leaders to address the root causes of our communities' most pressing challenges.

By listening to the needs of our neighbors and responding with meaningful action, we create lasting solutions that improve the lives of thousands of people across Washington & Greene Counties.

CARE UNITED PROGRAM

BOOK DRIVE

This care drive collects books for children from ages infant through high school. The donated books are prepared and distributed to local organizations and schools in need of books.

ADOPT A GRAD

This program was created to ensure that every student has the opportunity to celebrate their accomplishments with dignity and pride. Together, we can ensure that financial circumstances never prevent a student from walking across the graduation stage.

DAYS OF CARING / VOLUNTEER CONNECTION

Each Fall, Days of Caring brings together volunteers to help do service projects at local nonprofits. Our Volunteer Connection website connects volunteers with nonprofits throughout the year.

STUFF THE BUS

This care drive collects school supplies, hygiene products and non-perishable food to support low-income youth in need. Over 200 backpacks filled with items and 400 pounds of food were collected and distributed in 2025.

KEEPING WARM PROJECT

This care drive provides new coats, hats and gloves to local students in need. Please consider donating items or making a monetary donation.

BUILD A BIKE PROGRAM

United Way gathers organizations to build bikes for children who do not have any. Over 100 bikes were built by volunteers this past December and donated to youth in need.

HOLIDAY HELPING HANDS PROGRAM

This care drive provides assistance to senior citizens and elderly residents. Holiday Helping Hands supports senior citizens and elderly residents who are experiencing loneliness and need during the holiday season. We work with local senior citizen organizations to identify and meet their needs.

STRONGER TOGETHER. *Brighter Futures.*
